

Management Alternatives, con't

Alternative C: Relocation

Relocate the Coast Guard Station buildings off of Assateague Island.

- ◆ Find a partner to relocate all the structures and maintain their spatial integrity to a new site
- ◆ Structures would be used for a non-profit function such as a museum
- ◆ Partner would be responsible for moving costs
- ◆ Station complex would no longer be eligible for listing on the National Register of Historic Places

Alternative D: Demolition

Demolish structures, rehabilitate the site and manage as a natural landscape.

- ◆ Photograph and document Station resources prior to demolition

Summary of Costs:

	Alternative A: No-Action	Alternative B: Rehabilitate for Adaptive Use	Alternative C: Relocation	Alternative D: Demolition
Resource Treatment	Maintain in current condition.	Rehabilitate for adaptive use using Secretary of Interior Standards.	Relocate all structures and rehabilitate as a natural resource.	Demolish, remove and rehabilitate as a natural resource.
